

## 'Let Me Be Your Memory'

Call Windermere Flowers and provide us all your key dates for flowers- never forget your wife's anniversary and birthday, your Mom's birthday, Valentine's Day, Mother's Day the list is endless- one less thing for you to remember to organize in today's hectic world. All we require, in addition to the delivery dates and occasion is a valid credit card on file for us to process. We will call you the day before to verify the message on the card and confirm delivery is ok to be scheduled for that day-just to ensure there have been no unexpected changes. Sign up for 6 local deliveries per year and delivery charge will be waived. .

Please remember flowers are a product of nature and colors, seasonal availability varies. We also use unique vases which may require 24 hours to obtain, please bear this in mind when ordering. However, we can always accommodate same day service with clear glass vases.

Not quite seeing what you want- want a square vase? Low vase? Different color flowers... You name it we will strive to accommodate your requirements this is just a small selection of what we do- we also offer a wide selection of dish gardens, plants and locally grown orchid plants-

Each design is custom because every person is different.
